Background Information

Raystede Centre for Animal Welfare, established in 1952, is a charity that aims to give animals a better life through rehoming, rehabilitation and sanctuary, and give people the support and knowledge they need to treat animals with care and respect. We care for more than 400 animals every day, including cats, horses, dogs, rabbits, hens and exotic birds. We help most of the animals find new homes but also provide life-long sanctuary for those animals that cannot be rehomed. Our beautiful 43 acre site is open for visitors to get a unique glimpse into a working animal welfare centre.

Animals are at the heart of everything we do but we could not care for them without our expert and dedicated team of staff and volunteers. Surrounded by animals, lakes, trees and fields with a café, shops, parking and many other benefits, Raystede is an uplifting and rewarding place to work.

The Cattery team is responsible for the care, rehabilitation, intake, and rehoming of the Cats on site and forms a key part of our animal welfare service.

Main Purpose of the Role

- To admit, care for, rehabilitate and, where appropriate, rehome unwanted and stray animals.
- To provide the highest standards of animal care and welfare for the animals.
