

Make a cat PUZZLE FEEDER

Things you will need

Scissors

Empty egg box

Biscuits

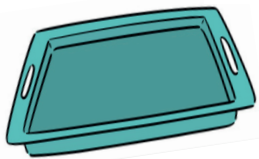

Wet food

Treat sticks

Marmite
(only a tiny amount)

Tray

Watch the 'how to' film and see Coco enjoying her treats!

Cats are natural predators who can smell 14 times better than we can!

1. Cut the lid off the egg box and cut the base into three pieces
2. Choose three of your cat's favourite foods and place a small amount of each in a pile onto your tray
3. Cover each food pile with a piece of your upturned egg box so that the treats are hidden beneath

Treats should only be given occasionally to avoid over-feeding your pet
