

Make a dog PUZZLE FEEDER

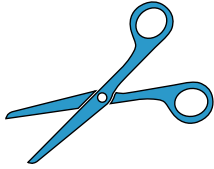

Things you will need

Toilet rolls

Empty egg box

Scissors

Flower/yogurt pots

Kibble

Dogs have incredible noses which are 40 times better than ours for sniffing out treats!

1. Clean out all your pots and cut your egg box into 'cups'
2. Place small piles of your dog's kibble around your house or garden
3. Cover each food pile with one of your upturned pots, cups or toilet rolls

Watch the 'how to' film and see Molly enjoying her treats!

Humans foods such as chocolate, grapes and raisins are poisonous to dogs
