

# Find your friend PAIR PUZZLE

Print and cut out the puzzle pieces.  
Pair them up to find out which friend each  
animal wants to share their home with.

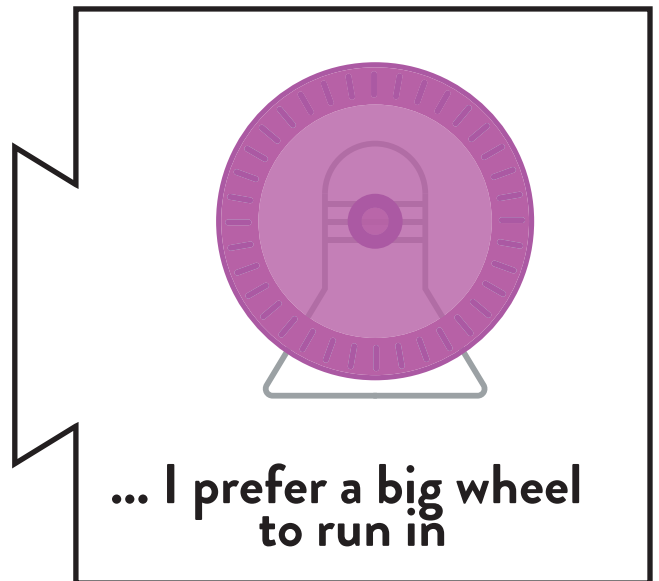

Another rabbit for  
company...

... that can keep up  
with me!

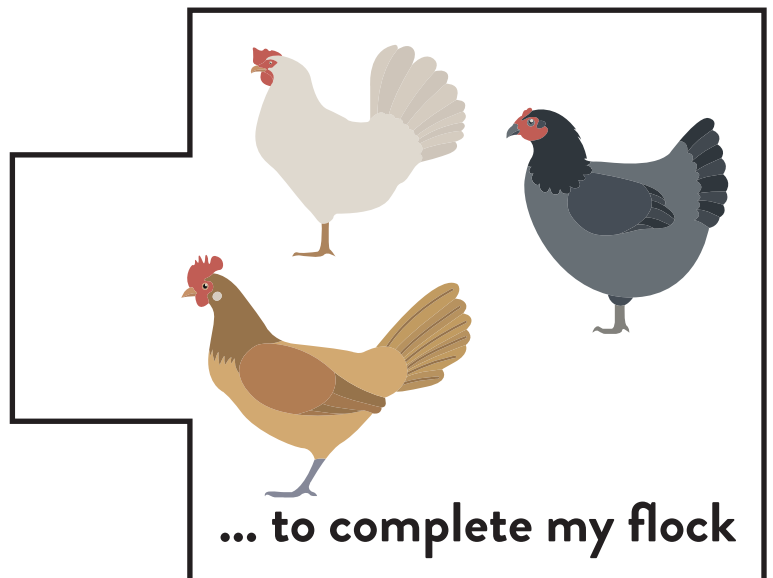

Someone  
with a comfy  
lap...

... I prefer a big wheel  
to run in

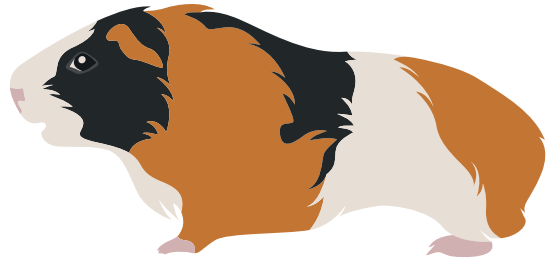

Another little  
piggy...

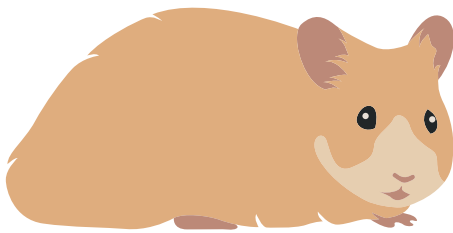

... to complete my flock

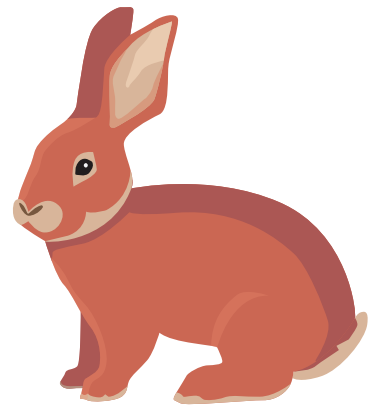

Someone with lots  
of energy...

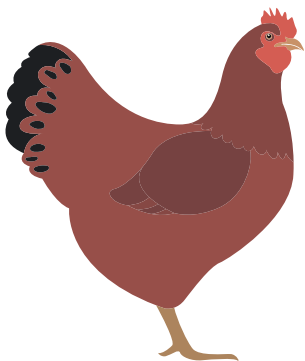

... for fun and friendship

Instead of a friend...

... stops me feeling  
lonely

Some feathered  
friends ...

... to enjoy time with
