

# Fundraising Tips and Tricks

## **Set up a Just Giving page**

This is one of the quickest and easiest ways for our fundraisers to raise money and receive donations from friends and family.

## **Share what you're doing on social media**

Share your JustGiving page with friends, family and work colleagues.

## **See if your company will offer match funding**

Some employers will match fund the money you raise (donate the same amount you raise to the charity you're supporting). Ask your employer if they have a matched funding scheme or if you can promote your fundraiser on their social media, newsletter and noticeboards!

## **Host a fundraising event**

Pub quiz, bake sale, movie marathon, a sweepstake or more. Ask people to pay £5 to enter and they could win a prize at the end!

## **Take a collection box into work**

In your fundraising pack, you will find a cardboard collection box. Take it into your workplace - it will be a great reminder for people to donate to your cause.

**Your support helps animals in need!**
