1. Cut around the outside of the animal, cracker and ribbons
2. Fold the cracker along the dashed lines and cut out the diamond shapes and unfold
3. Bring both sides together to form your cracker
4. Hide your treat inside the cracker with some shredded paper
5. Cut the slits on your ribbons (marked by solid lines)
6. Use the slits on your ribbons to seal both ends of the cracker and slide an animal head under a ribbon

Did you know?

Christmas treats such as chocolate and raisins are dangerous for your pets, so keep them out of reach from your furry friend.
