

Make a guinea pig PARTY BAG

Things you will need to make a party bag for your guinea pigs

Paper bag

Hay

Dark leafy greens & herbs

Guinea pigs have amazing noses and will enjoy sniffing out a hidden treat!

1. Decorate the paper bag.
2. Put hay and leafy greens into the bag and give it a shake.
3. Twist the top to give your guinea pigs a challenge.

Guinea pigs can't make vitamin C, so they need to eat vegetables that have lots of it. Things like dark leafy greens, parsley and peppers are good sources of vitamin C.
