Background information

Raystede Centre for Animal Welfare, established in 1952, is a charity that aims to give animals a better life through rehoming, rehabilitation and sanctuary, and give people the support and knowledge they need to treat animals with care and respect. We care for more than 400 animals every day, including cats, horses, dogs, rabbits, hens and exotic birds. We help most of the animals find new homes but also provide life-long sanctuary for those animals that cannot be rehomed. Our beautiful 43 acre site is open for visitors to get a unique glimpse into a working animal welfare centre.
