

What makes my dream dinner?

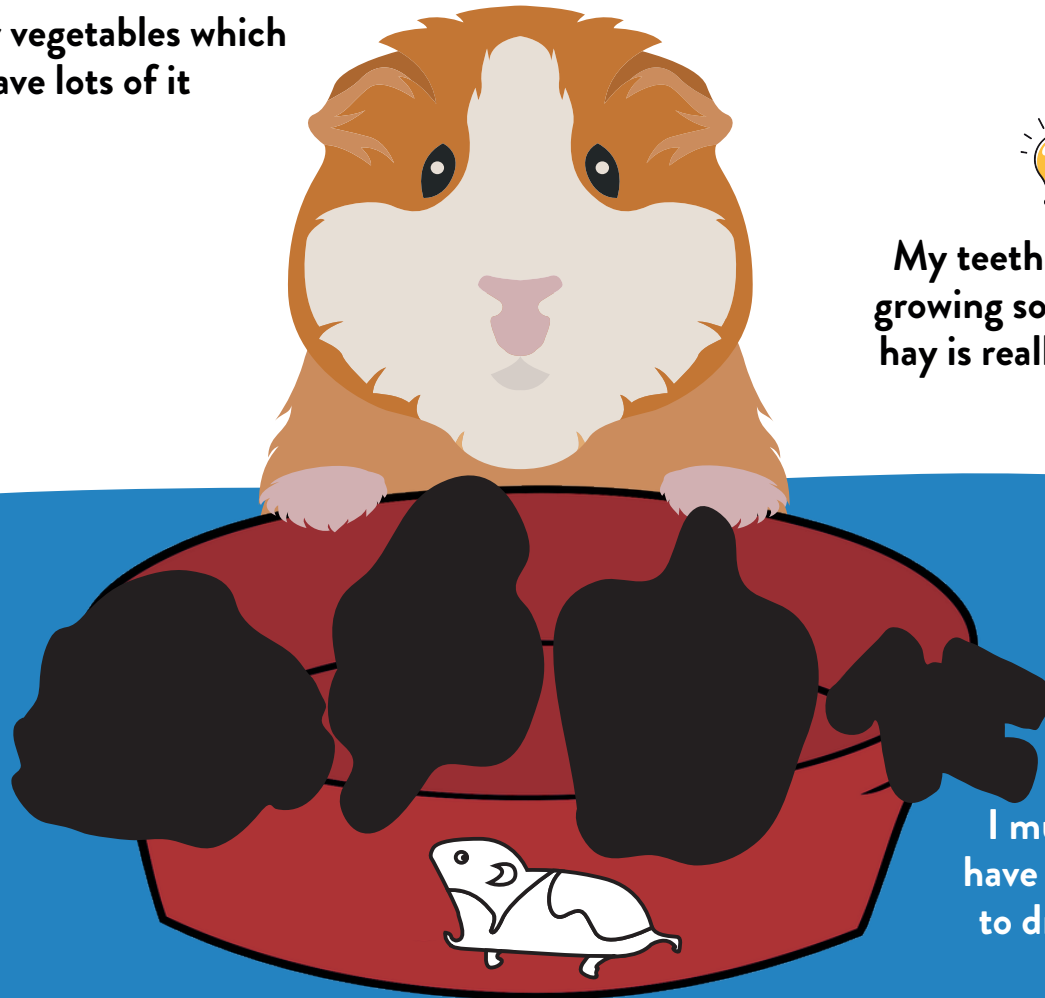

I can't produce my own Vitamin C so I need to eat fruit or vegetables which have lots of it

The brown pellets may look boring, but they are better for me than the bright, colourful ones!

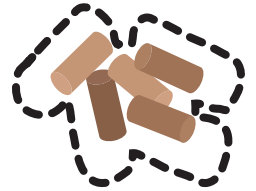

My teeth never stop growing so chewing on hay is really important

I must always have fresh water to drink as well

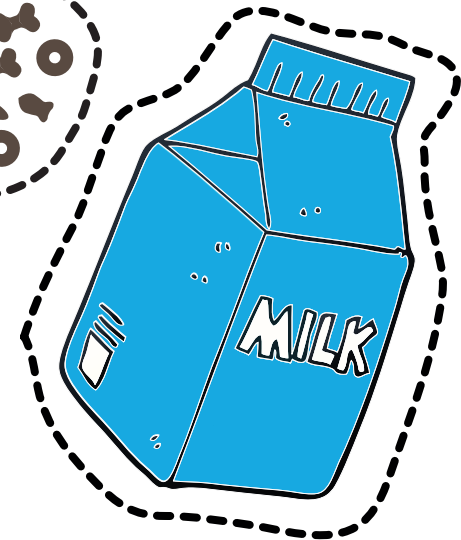

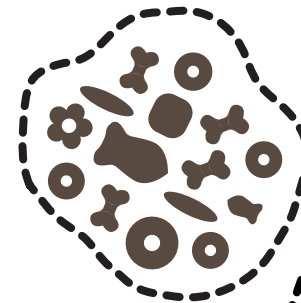

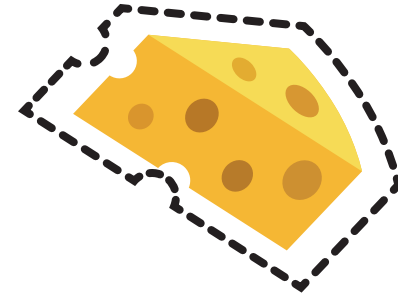

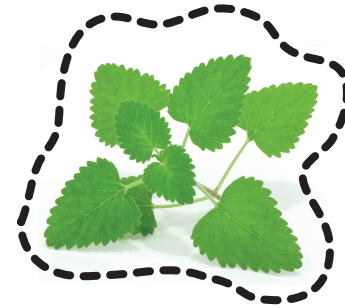

CUT AND MATCH

What makes my dream dinner?

CUT AND MATCH

Cat and dog food have different ingredients to keep your pet healthy

An occasional treat of cat nip gets me very excited!

I must always have fresh water to drink as well

What makes my dream dinner?

Chopped up pieces of vegetables can make a tasty training snack!

Cat and dog food have different ingredients to keep your pet healthy
