

CUT AND MATCH

What makes my dream dinner?

Cat and dog food have different ingredients to keep your pet healthy

An occasional treat of cat nip gets me very excited!

I must always have fresh water to drink as well

CUT AND MATCH

What makes my dream dinner?

I can't produce my own Vitamin C so I need to eat fruit or vegetables which have lots of it

My teeth never stop growing so chewing on hay is really important

I must always have fresh water to drink as well

The brown pellets may look boring, but they are better for me than the bright, colourful ones!
